Western Region Headquarters  
Regional Operations Center  
Salt Lake City, UT

# **WEATHER KEY POINTS**

**09/25/20 - 10/01/20**

## **Friday**

- Areas of wildfire smoke will continue across much of the state
- Elevated fire weather concerns will persist, with dry conditions continuing and locally breezy winds possible
- Rain showers will continue across far northern California, especially for the northwest coast

## **Saturday-Thursday**

- Other than a few lingering showers Saturday in far northwestern California, dry weather will return to the entire state
- Moderate to locally high heat impacts will develop across much of the state starting Sunday and continue through at least mid-week
- Gusty northeast winds will bring additional elevated to critical fire weather conditions to the state, especially Saturday through Monday
  - The strongest winds are currently expected across portions of Inland and Coastal Regions, especially in the mountains, foothills, and favored gaps and canyons
